## Sanitary Items

Dear Lady Customer:

We are offering a specialized service on your sanitary problems and will be glad to render any assistance we can.

We ladies cannot be too particular or careful in preventing and neutralizing body odors. We are very seldom, ourselves, aware of the fact that we have noticeable body odors which our best friends will not tell us.

These odors are very noticeable and offensive to those with whom we come in contact especially persons of the opposite sex.

There is **NO NEED OF OUR HAVING THESE OFFENSIVE ODORS** when they can be prevented and neutralized with very little trouble and expense. We offer here the most popular items for this purpose.

I shall be glad to give any assistance or advice I can regarding your particular problem if you will write me about them.

Sincerely yours,
